

# The End Is Near

The Kratzer PTO is **grateful** to all who have put time and effort into this unconventional year. Thank you for all your positive attitudes, suggestions, and productivity. Our kids and teachers have worked their way through many obstacles and the outcome is a job **well done**.

Giving a high five to the parents and teachers who have joined our PTO meeting(s) throughout the year. Your presence and input **made a difference**. The PTO couldn't have gotten through this year without any of you.

To Mrs. Aulizio, you did an **amazing job** keeping our kids safe, educated, and connected. We look forward to a new year working with you, no matter what it brings. Thank you Kratzer teachers and staff for your **continuous hard work and smiles**.

For this coming year, we would like to welcome Allison as our new secretary. We are happy to have her on board. Also, another special thank you to all the parents who are coming back to help with fundraisers and events. But it doesn't end there, we look forward to seeing and meeting old and new faces as we will host in person and Zoom meetings each month.

Last but not least, we have an end of year survey as always. If you could please take a few minutes to let us know your thoughts and feelings, so we can connect with you and apply as many as possible to 2021-2022.

many  
thanks

Your Kratzer PTO
