

# KRATZER ELEMENTARY INVITES YOU TO WEAR PINK TO RAISE MONEY FOR.....

The Rapunzel Project is near and dear to one of our teacher's family members who had breast cancer. The Rapunzel Project helps rent out cold caps to chemotherapy patients, so they can keep their hair! Cap therapy involves the use of a special cap cooled to extremely cold temperatures. This cap is worn before, during, and after each chemotherapy treatment. The cold temperature of the cap constricts the blood vessels, leading to the hair follicles, which reduces the amount of chemo drugs that reach the follicles. Wearing the cap preserves the patient's hair.

**WHERE:** Kratzer Elementary School

**WHEN:** Friday, October 18, 2019

**DONATION:** \$2 - \$5 or more

All proceeds will go directly to the Rapunzel Project. ***Cash or check (made payable to Kratzer PTO) will be accepted.***
